

Docket No. F-7967

Ser. No. 10/667,770

**REMARKS**

Subsequent to the filing of an amendment in the above identified application on November 29, 2006, it was noticed that due to an apparent word processing error, underlining of added punctuation marks in the claim listing was omitted. Applicants make this submission in furtherance of prosecution and to obviate issuance of a Notice of Non-compliant Amendment.

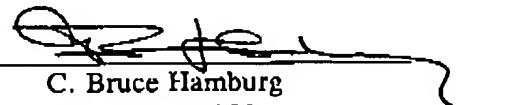

The Amendments to Claim section provided herein supercedes the Amendments to Claims section of the Amendment filed November 29, 2006 in order to place the Amendment into conformance with 37 CFR 1.121.

The USPTO is hereby authorized to charge any fee(s) or fee(s) deficiency or credit any excess payment to Deposit Account No. 10-1250.

In light of the foregoing, the application is now believed to be in proper form for allowance of all claims and notice to that effect is earnestly solicited.

Respectfully submitted,

JORDAN AND HAMBURG LLP
